Pizza and Games Night at The Hangout

Join us for an evening of fun and delicious food at the Hangout on **Friday, August 9th, from 4pm to 7pm** in the Garden Room at Denmark CRC.

This event is FREE and open to all from Year 6 to Year 12.

Come along and enjoy a variety of games and free pizza!

Please **RSVP by August 1st** to Denmark CRC on 9848 2842 or reception@denmarkcrc.com.au.

Dying to Know Day

Have you discussed your final arrangements?

In the spirit of the 2024 'Dying to Know Day' theme - Personalising Final Arrangements - you are invited to join a morning of information and conversation at Denmark CRC on **Tuesday 27th August from 10am-12pm**.

Design Your Eulogy - Local Funeral Celebrant & facilitator of Denmark Write People, Leanne Mifflin, will take you through an easy step-by-step guide to write or prepare for someone to write your eulogy and select music for your end of life celebration.

Understand & Prepare Legal Documents - Local lawyer, Laura Polak, will share her professional knowledge on the differences and importance of particular legal end of life documents and what is required to get them in order.

Please **RSVP by 22nd August** to reception@denmarkcrc.com.au.

Tea/coffee and cake provided - see you there!

Become a Champion for the Forget-Me-Not Memory Café!

The Forget-Me-Not Memory Café is on the lookout for dedicated champions to host and support our local cafés.

As a champion, your role includes greeting members, setting up tables with name tags, information boards, and activities, and being a welcoming face for the community.

This is a fantastic opportunity to make a positive impact and support those affected by dementia.

For further information, please contact Von on 0429 409 122 or email von@denmarkcrc.com.au.

**DENMARK
FM**

www.denmarkcrc.com.au/events

Denmark Community Resource Centre is a not for profit organisation who is managed by a committee of community members on a voluntary basis. Its' key role is to be responsive to the needs of the Denmark community, provide access to government information and services and to link people together in meaningful and positive ways.

Day to day management of all programs is the responsibility of the Manager but the Committee is responsible for overseeing the planning, policies, financial health and adherence to all related laws and regulations.

The Committee meets on a monthly basis for a couple of hours, either in person or by Zoom or Teams, usually early evening but the times and day depends on the availability and preference of Committee members.

This year, a new strategic plan will be adopted at the same time as a new Committee is elected, so it is an ideal opportunity to get involved in a some new directions, based on the identified needs of our community.

All Committee positions become vacant at the AGM in October, and a new committee, comprising Chair, Secretary, Treasurer and 4 committee members is elected. There are ample opportunities for training and support, and to contribute in a worthwhile manner to our great organisation.

If you are interested in becoming involved with the DCRC in this manner, please reach out to our Manager, Petra, 98482342, or the current Chairperson, Von – von@denmarkcrc.com.au.

From the Sandpit to Adulthood: Helping Today's Children to Thrive

This FREE parent talk is packed full of common sense and inspiration for parents and communities raising children throughout their childhood and adolescence. Every parent wants their children to thrive – to grow up happy, healthy, strong, kind, and capable of realising their full potential. Maggie explores the 10 keys to parenting that support this goal.

She acknowledges there is no 'perfect', and that challenge, adversity and failure can actually help our kids grow stronger and smarter.

Talk to a Mate!!

Put Yourself Over the Pits – What is the Fast Track Pit Stop?

BY THE REGIONAL MEN'S HEALTH INITIATIVE August 2024

A lot of blokes would appreciate the hard work and effort that goes into maintaining something we love, whether it's a new car, a valued piece of machinery, or our weekend toys (boat, motorbike, 4x4). If we don't service and look after our machines regularly it will eventually affect their performance and easy-fix problems may be compounded, costing us time and money.

So why is this any different to our wellbeing and health? To put it simply, if we neglect our wellbeing and health (whether it be physical, mental or social/spiritual) it will eventually catch up with us and could cost us more than just time and money. Do we think about the way this flows on to affect other facets of our lives, whether it be our relationships (family, work or business), loss of function or participation in the things we enjoy?

It is important to recognise that the ageing process throws up all sorts of changes and complications. Sometimes illness and diseases can't be avoided, however, something as simple as a 'routine service visit' or discussion with our GP or treating health professional may assist in the early detection and prevention of certain health and wellbeing issues.

At RMHI we have a simple but effective program that aims to empower men and communities to take responsibility for their wellbeing and health. The Fast Track Pit Stop® is related to the servicing of a vehicle and is a non-clinical, non-invasive way of helping us men become more aware and take charge of our own health and wellbeing. It involves a 3-Point Health Awareness Check:

1. **Waist Measurement/Chassis:** A waistline of more than 102cm (men) and 88cm (women) gives us an increased risk of developing Type 2 Diabetes, some cancers, stroke, heart disease and high blood pressure. Long term storage of internal fat surrounding the heart, liver, pancreas and kidneys is just one indicator.
2. **Blood Pressure/Oil Pressure:** According to the Heart Foundation, high blood pressure is one of the main risk factors for heart disease, stroke and blood vessel disease.

So, it's important to firstly know our blood pressure, but also take steps to manage it if it's getting high;

3. **Coping Skills/Shockies:** We are all affected by life's ups and downs; participants are given 10 questions to help identify stress levels. Encouraging communication and help seeking is part of the problem-solving process.

We think it's about being there, allowing blokes to have a conversation, and listening. Life is hectic, people are busy, but it's about taking a minute to sit down, have a break and think about OUR health and wellbeing.

RMHI delivers the Fast Track Pit Stop® program across rural and regional WA and can be set up on the back of the ute, under a marquee or in a hall. Field days, agricultural shows and a whole range of community events and festivals provide our organisation with the opportunity to go where the blokes are, so look out for our red utes and come and have a chat. It's time to start thinking about our service schedule habits!

As always, remember ... before it all gets too much... Talk to a Mate!!!

My brother Christian Jensen and two of his friends, Jess Broad and Hilary Smith were killed 23 years ago at an unlit passive level crossing near Jennacubbine in the WA wheatbelt when a grain train loaded with 28 wagons of wheat struck them on their way to a 21st birthday party on July 8, 2000.

A 'perfect storm' of factors contributed to this tragic triple-fatality at a notorious crossing that had already claimed the life of another young man just three years prior.

My brother was not speeding or under the influence of alcohol or drugs, he was an experienced, careful, and conscientious bush driver who took the responsibility of having passengers on board extremely seriously.

The 28-wagon loaded grain train hit them in darkness at the crossing (that was protected only by a Give Way sign) and was positioned on an obscure angle. There were conflicting tractor lights adjacent to the unlit crossing (spraying was taking place in nearby paddocks), the roadside vegetation on approach to the crossing was overgrown and the signage at the crossing "was not sufficiently conspicuous to warn motorists of the presence of a railway crossing" in the words of an independent consultant who gave evidence to the coronial inquest.

My brother's vehicle was pushed for over a kilometre before the train could come to a complete stop.

A year after the accident, WA State Coroner Alastair Hope concluded in the 2001 inquest into my brother and his friends' deaths that "the train was not lit with any form of alerting lights" and that "inadequate train lighting was a factor in the crash and resulting deaths." This observation formed the basis of his recommendations that all locomotives be fitted with external auxiliary lighting in addition to ditch lighting to effectively warn motorists of oncoming trains. These recommendations were completely ignored by the rail industry.

Lara Jensen, Christian Jensen's sister

Where
Community Resource Centre (CRC)
2 Strickland Street, Denmark

What we do
All types of embroidery stitch techniques embraced. Come and join us. Experienced and non-experienced welcome. Learn something new, try something new. Tutors / teachers on hand to assist.

Contact
Linley Radalj 0407 944 063 or
Louise Hoskins 0419 916 131

DENMARK EMBROIDERY GROUP

Member of
The Embroiderers' Guild of Western Australia Inc.

We are a very friendly group of approximately 20 members who meet the 1st and 3rd Tuesdays of the month at the Community Resource Centre, in the centre of Denmark township.

We have an annual program that is flexible to meet the demands of the members. Usually, a focus on a particular type of embroidery is encouraged by way of workshops on a regular basis. Occasionally a Tutor from Perth visits us to hold workshops.

We hold Stitches by the Sea every third year at a local venue - and invite the two Albany Groups to join us.

We have a small library that is growing all the time.

Soil testing to support better fertiliser decisions

Expressions of interest now open!

Expressions of interest close 28 July 2024

Join more than 1600 farmers working to increase farm productivity and improve the health of our waterways!

Can I apply?
The program is open through Healthy Estuaries WA to beef, dairy and sheep grazing enterprises that are over 40ha of arable land in one of the funding catchments: Peel-Harvey, Leschenault, Vasse-Wonnerup, Geographe, Hardy Inlet, Wilson Inlet, Torbay Inlet or Oyster Harbour.

What's included?

- Soil testing, advice and support valued at almost \$5000
- Soil sampling and chemical analysis of all eligible paddocks
- Results and advice at a local workshop
- One-to-one agronomic advice
- Plant tissue testing
