CURTIN VOLUNTEERS!

JOHN CURTIN WEEKEND 2025

Would you like a group of enthusiastic volunteers to help out with a project you're working on?

Curtin Volunteers! (CVI) is currently taking **expressions of interests** from regional not-for-profit organisations who could benefit from the help of a group of energetic university students over a weekend in September/early October.

What is John Curtin Weekend?

John Curtin Weekend (JCW) is an annual flagship project run by CVI. First launched in 1999 as a one-day event, JCW has since grown into a large-scale initiative. In 2024, nearly 200 volunteers travelled to over 14 regional towns across five weekends, supporting communities through a wide range of initiatives. JCW honours the legacy of Australia's wartime Prime Minister and Curtin University's namesake, John Curtin, by embodying his values of vision, leadership, and community service.

When is it?

In 2025, JCW will involve a series of overnight events run over five weekends from 12 September to 12 October that provide mutual benefit for the community and our students alike.

12 to 14 September	19 to 21 September	26 to 28 September	3 to 5 October	10 to 12 October
--------------------	--------------------	--------------------	----------------	------------------

Why participate?

This is an opportunity for your organisation to:

- tap into a pool of enthusiastic and motivated volunteers
- support the personal and professional development of students
- engage with Curtin University and the wider community.

And for our students to:

- travel and learn more about regional communities in Western Australia
- engage and give back to the community
- gain experience and develop interpersonal skills
- create positive social impact
- learn more about your organisation and the importance of your mission.
