

ISSUE 331

22 JAN - 5 FEB 2026

# THE GUIDE

YOUR LOCAL CONNECTION

MAGNIFICENT HYDRANGEAS WELCOMING YOU TO THE DENMARK COMMUNITY RESOURCE CENTRE

# In The SPOTLIGHT

*Supporting, Empowering and Engaging our Community*

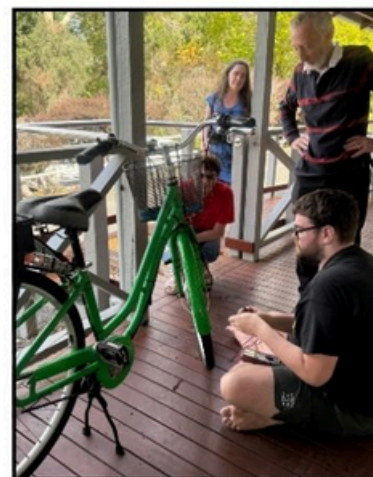

It's been a hot start to the year here in Denmark — the kind of weather that has you ducking into the ocean, chasing shade, and living for a late arvo beach dip. While we've all been feeling the heat, the Denmark Community Resource Centre is well and truly back into the rhythm of community life, with programs, events and support services rolling on, and plenty happening behind the scenes.

## **Repair Café is back – and we need volunteers**

Don't toss it — fix it! Repair Café is back for 2026, helping keep useful items out of landfill (and saving them from the "too hard basket"). If you're handy, a fixer or a tinkerer, we'd love to have you on the volunteer team. Volunteer call-out on page 5.

## **Hop on board the Community Bus in 2026.**

Whether you'd like to travel as a passenger, volunteer with the program, or enquire about hiring the bus for your group or organisation, we'd love to hear from you. Our Community Bus is wheelchair friendly, helping more people stay connected and get where they need to go.

Repair Café

## **Hardship Appeal success – thank you!**

A huge thank you to everyone who supported our Hardship Appeal fundraising campaign over Christmas. Your generosity will help us continue supporting locals doing it tough.

👉 Turn to page 4 for a closer look

## **Death Café returns: Feb 16th**

Death Café is also back in 2026, offering a gentle, welcoming space to share a cuppa and have open conversations about death and dying — with no agenda and no judgement.

☎ To enquire call us on **9848 2842** or pop in and see us Mon – Fri 9am – 4pm.

# Big Thanks, Big Impact:

## Hardship Appeal Raffle Success

A huge thank you to everyone who supported our Hardship Appeal Raffle over Christmas 2025. This campaign was another wonderful success, and we're proud to say it was our third year running the Hardship Appeal fundraising appeal.

Petra Thompson - Manager

Thanks to the incredible generosity of our community, and the kindness of our local businesses who donated prizes, we raised \$1400.90 through the Hardship Appeal Raffle.

Every dollar will go directly towards re-stocking our emergency food relief pantry, which is accessed regularly by locals doing it tough. This support will make a real difference for individuals and families in our community who need a little extra help right now.

A heartfelt thank you to our prize donors:

- Thorntons Mitre 10
- Denmark Butcher
- Singlefile
- The Green Pantry
- Dark Side Chocolates

Lucky Winners

Congratulations to our raffle winners and thank you again to everyone who bought a ticket or helped spread the word, your support truly matters.

If you'd like to continue supporting our Hardship Appeal or make a donation, we always welcome contributions of in-date, non-perishable food items for our pantry.

Thanks again for backing the Hardship Appeal — we can't wait to bring you another Christmas raffle in 2026!

Michelle Randle - Food Pantry Volunteer

# Repair Café Needs You!

## Volunteer Call-Out

Are you handy, a fixer, a tinkerer, or have a trade up your sleeve? The Denmark Community Resource Centre is calling out for Repair Café volunteers to help us breathe new life into broken items and keep them out of landfill.

From bike maintenance, tool & knife sharpening and textile mending to small electronics and general repairs — what we can fix on the day depends on the wonderful skills our volunteers bring along.

Repair Café runs monthly on a Saturday, 10am–12 noon at 2 Strickland Street.

### Upcoming dates:

Feb 7, March 14, April 4, May 2, June 13.

Even helping occasionally makes a big difference.

**For more info, call 9848 2842.**

## Death Café is Back for 2026

Death Café returns to the Denmark Community Resource Centre in 2026, with our first session for the year on **Monday 16th February (1–3pm)**, hosted with Kit – Death Doula.

At a Death Café, people gather to drink tea, eat cake, and talk openly about death.

The aim is simple: to increase awareness of death, with a view to helping us make the most of our finite lives.

Death Café is a group-led discussion with no set agenda, objectives or themes.

It's a conversation space, not a grief support group or counselling session.

# Repair Cafe

## Volunteer Call out

*Are you handy, a fixer, a tinkerer or have a trade up your sleeve?*

Your skills  
can save the  
day.

Be a local  
repair hero.

Help repair,  
reduce, reuse

Give back to  
community

## Certificate I in New Opportunities for Women (NOW) at Denmark Campus

**Looking to re-enter the workforce or change career direction?**

This qualification is designed to empower women to develop their own pathways in life. Build the social, personal and employability skills to support your transition into work, further education and community participation, or starting your own business.

Outcomes include the development of communication and problem solving skills, digital and financial literacy, preparation for effective participation in a community or work environment, and the confidence to successfully move into other training courses at TAFE.

**NOW is open to women of all ages and backgrounds and is delivered on Monday at the Denmark Campus in Semester 1.**

FEE FREE in 2026! The course fees are 100% subsidised by the WA State Government for WA residents. Resource fees and eligibility criteria may apply.

You are welcome to drop into the Campus for more information or to enrol

RTO Code 52790

### Produce Drawings to Communicate Ideas

Includes instruction and demonstration in how to produce drawings as artworks to communicate a narrative.

Students will:

- Learn a range of approaches to drawing
- Develop a command of selected techniques
- Explore a range of materials to produce drawings
- Resolve finished drawings for presentation

### Produce Sculpture NEW

Develop conceptual design skills to visualise 3D art ideas with drawings and Marquette making skills. Students will then go on to create their full-scale sculpture works.

Students will:

- Explore ideas, techniques and historical and contemporary sculpture practice and choose techniques to support own work
- Adapt and use combined sculpture techniques to create a single major work that shows technical proficiency in chosen techniques

### Produce Paintings

Covers a range of painting techniques, exploring the use of materials and surfaces on which to paint. Including but not limited to oil painting, watercolour and gouache as well as acrylics painting.

Students will:

- Learn aspects of historical and contemporary painting practice and how they can inform ideas for painting

- Review and document the development of ideas, experimenting and sampling a range of techniques
- Combine painting processes to complete a finished work

### Produce Prints

Learn a range of printmaking techniques, combining processes and documenting the creative development to produce a series of finished prints.

Students will:

- Learn technical proficiency in the implementation and adaptation of a range of print techniques including: etching, relief printing, lithography and a combination of printmaking processes
- Gain inspiration from contemporary and traditional printmakers
- Explore ideas, techniques and historical and contemporary printmaking practice

### Produce Textiles

Covers a range of processes to create patterns on and with textiles including but not limited to natural dye, rust dye, stitching, contact dye, earth pigments.

Students will:

- Gain inspiration from contemporary and traditional textile artists
- Create desired design effects in textile work using combined textile techniques, considering and applying elements and principles of design
- Explore ideas, techniques and historical and contemporary textile practice

**EXPLORING CANCER TREATMENT AND EXERCISE SUPPORTS FOR THE GREAT SOUTHERN REGION**

Researchers at the Nutrition & Health Innovation Research Institute are exploring how people access exercise support during cancer treatment, and the barriers that can make it difficult. The project will explore these issues for the Great Southern region, compared to Perth Metro.

This project is using Photovoice, a creative approach where participants take photos and share personal stories to show what helped or got in the way of accessing exercise support. The findings will be used to improve services and inform a future grant proposal to benefit people across Western Australia.

**EXPERIENCE REQUIRED:**

- Lived experience of receiving cancer treatment while living in the Great Southern region.
- Willingness to share your personal experiences and ideas
- Comfortable taking part in group discussions
- No prior research or photography experience is needed – we'll provide all guidance and support

**DATE:** Friday 13 February 2026  
**TIME:** 12pm – 3pm  
**LOCATION:** Albany Lotteries House, Centennial Park

Have Your Say: Mental Health in the Great Southern

Palmerston  
Improving your wellbeing

**common ground**

Mental fitness comes from talking to, and showing up for each other. Once a month, we invite guys aged 16-25 to join us for an FREE activity (e.g. park, café, footy, BBQ). Come along and feel free to bring a friend.

These activities are for young men aged 16-25 years. Scan the QR code to see the schedule.

If you want more information, call headspace Albany on 9842 9871 or send us an email at [info@headspacealbany.com.au](mailto:info@headspacealbany.com.au)

# Australian Government mobile service centres

If you live in a rural area, you may need to travel greater distances to access government payments and services. To make it easier for you to access these services, we're bringing them to you and your community.

Mobile service centres (MSCs) travel extensively throughout rural and regional Australia to provide help and support. During natural disasters and emergencies, they can provide on-the-ground support for disaster recovery efforts.

Services Australia staff travel with the MSCs and can help you with Medicare and Centrelink payments and services. Our MSCs also have disabled access.

Our staff can also help veterans and their families connect to the Department of Veterans' Affairs phone line and online services.

Wi-Fi is available for visitors to the MSC and staff will be able to help you create a myGov account. myGov is a simple and secure way to access government services online.

Our staff provide you with friendly face-to-face service, information and support. From time to time, representatives from other government agencies also travel with the MSCs.

## More Information

To view the latest itineraries for the MSCs, go to [servicesaustralia.gov.au/mobileoffice](https://servicesaustralia.gov.au/mobileoffice)

The stopping locations are promoted in each town and on social media before each visit.

## Information and help you can access on board the MSCs

We provide information, help and support to rural and regional communities, including:

- families
- older Australians
- students
- job seekers
- people with disability
- carers
- farmers
- self-employed people.

We can assist you with:

- registering and using the agency's online services
- new claims for Centrelink payments
- updating and confirming Medicare and Centrelink information
- information on how financial matters may impact on payments
- assistance with payment and service options
- rural payment entitlements for eligible farmers
- non-cash Medicare transactions
- enrolling for and issuing new Medicare cards
- updating and re-issuing Medicare cards
- social work support and referrals.
