

ISSUE 330

8 - 22 JANUARY 2026

THE GUIDE

YOUR LOCAL CONNECTION

In The SPOTLIGHT

Supporting, Empowering and Engaging our Community

Welcome back to The Guide Your Local Connection in 2026.

A new year is here and we're excited to welcome you back to The Guide, your window into the heart of our local community. This edition is filled with stories of connection, generosity and practical ways to get involved in everything happening at the Denmark Community Resource Centre.

Repair Café is back in 2026

Don't toss it – fix it! Our much-loved Repair Café returns this year, with our amazing volunteers helping breathe new life into broken and tired items. From bike maintenance and textile mending to tool & knife sharpening, electronics, ceramics and more – depending on which volunteers are available on the day. You never know what can be saved. It's free, it's friendly and it keeps valuable items out of landfill.

Hop on board the Community Bus in 2026.

We're inviting you to jump on board the Denmark Community Resource Centre Community Bus this year. Whether you'd like to travel as a passenger, volunteer with the program, or hire the bus for your group or organization, we'd love to hear from you. Our bus is wheelchair friendly, helping more people in our community stay connected and get where they need to go.

Petra Thompson - Manager

📞 To enquire or get started, call us on 9848 2842 or pop in and see us Mon - Fri 9am - 4pm.

A Christmas to remember.

This year's Community Christmas Lunch was a truly heart-warming celebration, bringing together more than eighty people on Christmas Day – including local community members, volunteers and supporters – to share good food, great company and the true spirit of the season. It was a beautiful reminder of the strength and kindness within our community.

👉 Turn to page 4 for a closer look at the day and the wonderful people who made it so special.

- **FRIDAY** Happy Plate - Denmark Dance Company

More Than a Meal: The Story Behind Our Community Christmas Lunch

The Denmark Community Christmas Lunch was once again a beautiful celebration of connection, generosity and community spirit, proudly marking its fifth year at the magnificent Denmark Riverside Club, who very kindly donated the venue for the fifth year in a row.

Held on a scorching Denmark summer's day, the heat was definitely felt, but it didn't dampen spirits. Over 80 guests, including community members and volunteers, gathered on Christmas Day to share a meal, conversation and a sense of belonging.

This special event was months in the making, brought together through the hard work, dedication and care of the team at the Denmark Community Resource Centre. We are incredibly grateful to Greg and the team at Denmark Local Grocer for their major funding contribution, which helped make this event possible.

Behind the scenes, the talented Class Three and Class Six students from Golden Hill Steiner School lovingly hand-made 80 individual Christmas cards for our guests, a heartfelt touch that became a beautiful welcoming gift on every table.

A huge thank you also goes to our very own Michelle for her chocolate-dipped dehydrated oranges, which were a massive hit this year.

Bringing Denmark Together on Christmas Day

Our sincere thanks continue to Denmark Super IGA for their generous donation, Mrs Jones for a delicious tray of their famous brownies, and Denmark Grass Fed Lamb for the delightful trifle that was devoured by all.

To our incredible volunteers on the day our very own “dream team” we simply could not have done this without you. We thank you for helping us run a smooth event and supporting Chef Sazzi.

And last but certainly not least, a heartfelt thank you to the incredible Chef Sarah “Sazzi” from Joyful Catering. Your care, flair and dedication truly elevated this year’s Community Christmas Lunch.

Sazzi, your commitment on the day was outstanding, and your delicious menu was truly loved by all. Thank you for helping make the lunch feel so special for our community.

With hearts full and spirits lifted, we already look forward to bringing our community together again for the Community Christmas Lunch in 2026, continuing this special tradition of connection, generosity and care for many years to come.

Linking TOGETHER

Carer Social Support Groups Denmark

Taking a regular break and having a supportive social network improves wellbeing, is an opportunity to rest and recharge, and helps unpaid family carers to be in the best position to sustain their caring role.

Linking Together Social Support groups allow members to catch up and meet other carers in their local community. Coordinated by experienced volunteers, groups run monthly throughout the metro area and some regional areas.

Attendance is free and eligible to all carers, however carers are required to be registered with Carers WA.

When: 2nd Tuesday of each month | 10.00am - 11.30am

Where: Reminisce Cafe at the Denmark Rivermouth Caravan Park

For more information, visit www.carerswa.asn.au/social-support or contact the Carers WA Social Support team on 1300 227 377 or email socialsupport@carerswa.asn.au.

Produce Drawings to Communicate Ideas

Includes instruction and demonstration in how to produce drawings as artworks to communicate a narrative.

Students will:

- ▶ Learn a range of approaches to drawing
- ▶ Develop a command of selected techniques
- ▶ Explore a range of materials to produce drawings
- ▶ Resolve finished drawings for presentation

Produce Sculpture NEW

Develop conceptual design skills to visualise 3D art ideas with drawings and Marquette making skills. Students will then go on to create their full-scale sculpture works.

Students will:

- ▶ Explore ideas, techniques and historical and contemporary sculpture practice and choose techniques to support own work
- ▶ Adapt and use combined sculpture techniques to create a single major work that shows technical proficiency in chosen techniques

Produce Paintings

Covers a range of painting techniques, exploring the use of materials and surfaces on which to paint. Including but not limited to oil painting, watercolour and gouache as well as acrylics painting.

Students will:

- ▶ Learn aspects of historical and contemporary painting practice and how they can inform ideas for painting

- ▶ Review and document the development of ideas, experimenting and sampling a range of techniques
- ▶ Combine painting processes to complete a finished work

Produce Prints

Learn a range of printmaking techniques, combining processes and documenting the creative development to produce a series of finished prints.

Students will:

- ▶ Learn technical proficiency in the implementation and adaptation of a range of print techniques including: etching, relief printing, lithography and a combination of printmaking processes
- ▶ Gain inspiration from contemporary and traditional printmakers
- ▶ Explore ideas, techniques and historical and contemporary printmaking practice

Produce Textiles

Covers a range of processes to create patterns on and with textiles including but not limited to natural dye, rust dye, stitching, contact dye, earth pigments.

Students will:

- ▶ Gain inspiration from contemporary and traditional textile artists
- ▶ Create desired design effects in textile work using combined textile techniques, considering and applying elements and principles of design
- ▶ Explore ideas, techniques and historical and contemporary textile practice

Water supply in a bushfire

This information could save your life

While leaving high-risk bushfires is the safest option, if you plan to stay and defend your home, you must have an **INDEPENDENT** water supply and pumping capability. This typically requires water tanks of at least 20,000 litres, pump and generator.

This is required as mains water supply and pressure cannot be guaranteed during a bushfire due to the risk of power cuts, fire damage and extreme demand.

Use the Department of Fire and Emergency Services resources to develop your personal bushfire plan: mybushfireplan.wa.gov.au
You can also download the My Bushfire Plan app via the App Store or Google Play to access your bushfire plan anytime - even without an internet connection.

To support bushfire plans, if you have groundwater bore access to surface water, you can take and store emergency water without it counting against your annual entitlement. For more information on this, and for the location of emergency bushfire water supplies in dryland agricultural areas, visit the Department of Water and Environmental Regulation website.

Drinking water
We recommend you keep a supply of drinking water on hand throughout summer in case your water supply is interrupted.

Assistance for customers affected by bushfire
After a bushfire, we can assist you with issues such as damaged water meters and payment difficulties. If you have been affected by bushfire please call us on **13 13 85**.

The Emergency WA website emergency.wa.gov.au provides emergency information and community safety warnings. Call **000** in a life-threatening emergency or the **SES 132 500** for emergency assistance.

Fire fighting and water supply

A message for fire fighters

What to do in an emergency

Before you hook into the water supply system, **call us on 13 13 75** (24 hours).
If we know where you're headed, we may be able to help maintain supply or provide an alternative location that has better pressure.

Reminder to the community
Please help us spread the word that you cannot rely on mains water during a bushfire due to the risk of power cuts, fire damage and extreme demand.

<p>Hydrant location If you are unsure where the closest hydrants are located, please contact DFES or our Operations Centre on 13 13 75, who will provide you with the exact locations.</p>	<p>Broken hydrants Any issues with hydrants should be reported to DFES to ensure repairs are made.</p>	<p>Testing Please contact us before testing hydrants in your area as it may cause nearby properties to experience discoloured water.</p>
