# In The SPOTLIGHT

***Supporting, Empowering and Engaging our Community***

**Welcome** to the latest edition of The Guide—your local connection to what's happening at the Denmark Community Resource Centre.

With the sunshine turning it on and town a little busier than usual, we hope you're enjoying Denmark's beaches, bushwalks, cafés and local gems.

## **Cuppa's & Clicks Program**

This season, we're making it even easier to access support. A relaxed, friendly way to get help with everyday tech. Bring your phone, tablet or laptop, enjoy a cuppa, and get support with things like online safety, emails, and using websites and forms.

**Every Thursday 10am–11am**  
here at the Denmark Community Resource Centre.

**[denmarkcrc.com.au](http://denmarkcrc.com.au)**

## **Services Australia Mobile Service Centre**

We're pleased to share that the Services Australia Mobile Service Centre will be in Denmark on **Tuesday 17 Feb**, with the **NDIA** team also on board. It's a great chance to get face-to-face help locally with Medicare, Centrelink and online services—including setting up and using myGov (Wi-Fi available), making new claims, updating or confirming details, understanding how changes may affect payments, replace Medicare cards, and access social work support and referrals.

Robin dedicated volunteer for the Cuppa's & Clicks program

# Services Australia Mobile Service Centre in Denmark

On Tuesday 17 February 2026, the Services Australia Mobile Service Centre will be visiting Denmark, and the NDIA team will also be on board.

This is a great opportunity to access face-to-face support locally, without needing to travel long distances.

Mobile Service Centres travel through rural and regional Australia to provide help with Medicare and Centrelink payments and services.

Wi-Fi is available for visitors to the MSC and staff will be able to help you create a myGov account.

myGov is a simple and secure way to access government services online. Our staff provide you with friendly face-to-face service, information and support.

From time to time, representatives from other government agencies also travel with the MSCs.

The team can also help veterans and their families connect to Department of Veterans' Affairs phone line and online services.

**For more information, go to [servicesaustralia.gov.au/mobileoffice](https://servicesaustralia.gov.au/mobileoffice)**

## What you can do on board the Bus.

- Registering and using online services, including help to create a myGov account (Wi-Fi is available on board)
- Making new claims for Centrelink payments
- Updating and confirming Medicare/Centrelink information
- Understanding how financial changes may affect your payments
- Enrolling for and issuing new Medicare cards, plus updating or replacing cards
- Accessing social work support and referrals
