**Aged 12 to 25 years and
need someone in
Denmark to talk to?
We've got you:**

If you want a **safe, private space** to chat about **mental health, stress, relationships, studies**, work or anything else going on, we've got you.

Youth Focus Great Southern is now offering support for those aged 12 to 25 years who can't (or don't want to) access support through the high school or agriculture college.

The support is **provided** right here in Denmark – at the **Denmark Community Resource Centre**. It's completely **free**, with short or no wait times, and it's your choice – come in for a one-off session, or ongoing sessions.

Support is also available for worried friends and family.

Call **Albany headspace on 9842 9871** to book an appointment. If you're under 18 you can contact them to get things started. If you're 16 and over you can usually consent to your own care.

The support is **proudly funded** by the **Denmark Community Foundation** thanks to a generous gift from the Stan Perron Charitable Foundation.

**We're
hiring!**

We're Hiring: Paid Traineeship Opportunity

The Denmark Community Resource Centre is offering a **paid traineeship** for someone ready to build skills, gain real-world experience, and commit to an **18-month placement**.

If you're looking for a supported pathway into the industry and want to grow your confidence and capability on the job, we'd love to hear from you.

How to apply:

Applications addressing the selection criteria must be submitted to the Manager at the Denmark Community Resource Centre **by 4:00pm Thursday 12 March 2026**.

Apply now:

Thank You to the Denmark Lions Club

Rob Woods, Petra Thompson, Murray & Shari Bolitho

We'd like to extend a heartfelt thank you to the Denmark Lions Club for their generous support through community vouchers and their ongoing commitment to supporting people and projects across Denmark.

The Denmark Lions Club has been serving our community for **52 continuous years**, and they're currently **keen to welcome new members**.

What the Denmark Lions Club is Currently Working on:

One of the Lions Club's biggest current projects is working towards re-establishing their clubrooms after losing their lease at the Station Masters building in the Railway Heritage Precinct.

They now hold a 21-year shared lease on the same site, **behind the Men's Shed**, and have a vision to building a fit for purpose clubroom that has a railway replica facade that enhances the Railway Heritage Precinct.

The shed is almost complete and electricity has recently been connected – an exciting milestone. The next stages of the project are dependent on securing grant funding, which will determine when permanent clubrooms can be built.

Alongside this major project, the Denmark Lions Club continues to give back to the community in many meaningful ways, with a strong focus on supporting young people and local initiatives, including:

- Supporting Outward Bound programs
- Supporting the STS Leeuwin sailing program
- Contributing \$1,500 per year to the Denmark Primary School robotics program
- Supporting Denmark Senior High School High Achiever Awards
- Supporting Gutsy Girls youth programs

- Supporting initiatives that assist people experiencing homelessness (now in its second round, with hopes to continue into the future)
- Financial support to local high school students who demonstrate strong community spirit, helping them to pursue opportunities that benefit both themselves and the wider community.

This generous **donation will go** directly to the Denmark Community Resource Centre **Emergency Relief Fund**, helping provide food, essential items and vouchers for local individuals and families during times of hardship. Your support ensures timely help, delivered with dignity and care.

Interested in joining?

If you're looking for a meaningful way to be part of the Denmark community, Lions is a great place to start – friendly, hands-on, and focused on making a real difference locally.

What you can and can't do on a Total Fire Ban day

What is a Total Fire Ban?

We declare a Total Fire Ban on a day when a fire is most likely to spread rapidly (because of extreme fire weather) or if there are already widespread fires and we don't have the resources to fight more. The lighting of open-air fires or any other activity in the open air that is likely to cause a fire is banned.

Total Fire Bans affect everyone

Every Western Australian is affected including farmers, campers, construction workers and residents in both urban and rural areas. So, make sure you carefully read this document, and if you need more information or advice call the TFB Hotline on 1800 709 355.

There are penalties if you ignore a Total Fire Ban

If you ignore a Total Fire Ban, you may receive an infringement of \$1,000. And if it's a serious breach, you may receive a penalty of \$25,000 and/or be jailed for 12 months.

Don't put people's lives and properties in danger.

Anyone who lives in WA

Do not throw a burning cigarette, cigar or match into an area that may catch alight, including from a vehicle.

In the open-air activities which involve fire, or which may cause a fire, are not allowed, you cannot:

- Light a campfire
- Burn leaves, garden waste or grass cuttings
- Use an incinerator
- Use a fire pit
- Use a grinder, welder or undertake any other 'hot work' (there are exceptions for businesses)
- Use fireworks
- Operate a hot-air balloon
- Use a BBQ that uses solid fuel (see BBQ section for more)
- Use an outdoor wood-fired pizza oven or stove.

You can use tools inside your shed if it is fully enclosed on all sides (i.e. has a door, four walls and a roof), so sparks don't blow outside.

In any area on which there is vegetation (off-road), you cannot use equipment powered by an internal combustion engine including:

- A chainsaw or lawn mower
- A tractor
- A motorbike
- A quad bike
- A dune buggy
- A generator

Some activities can continue during a Total Fire Ban if the activity is being carried out in relation to work for a business, a public authority, or as part of an agricultural activity. For information visit dfes.wa.gov.au/totalfirebans

Undercover areas such as patios, pergolas and huts that are open or partially open, are considered to be open-air.

Help us make WA a safer state. Check if there's a Total Fire Ban today at emergency.wa.gov.au | FOR A SAFER STATE

Barbecuing or cooking outdoors

You cannot use any BBQ or cooker (including Webers) that require solid fuel:

- Wood
- Charcoal
- Heat beads
- Briquettes

You can use a gas or electric BBQ or cooker, if:

- It's a permanent BBQ in a public picnic area
- You use it in a public space within the sign posted BBQ area
- It's at or in your home
- It has an enclosed flame
- You clear all material that could burn within a 5m radius around it.

** DFES recommends you have an immediate water supply near by.

** DFES recommends the activity is always attended by a responsible adult.

Gas and electric barbeques with an enclosed flame are allowed as long as you take precautions.

Looking after your farm

The immediate welfare of your animals, such as urgent watering and feeding, has an automatic exemption.

If you're a farmer, you can:

- Harvest your crop
- Feed or water your stock in a paddock
- Operate or move an aeroplane or helicopter

This is assuming that a Harvest and Vehicle Movement Ban has not been declared by your local government. You must also check with your local government if you need any fire suppression equipment.

If you conduct any of the above activities, you must ensure:

- Your vehicle is mechanically sound
- The exhaust system is in good condition (free of gas leaks and/or has a well-maintained spark arrester)
- That all reasonable precautions have been taken to prevent a bushfire starting

Total Fire Ban and a Harvest and Vehicle Movement Ban

If both a Total Fire Ban and a Harvest and Vehicle Movement Ban are in place, you cannot use a vehicle, equipment or machinery that's powered by an internal combustion engine on land covered by bush, crop, pasture or stubble (vegetation).

Aeroplanes and helicopters must also have:

- A firebreak around the area of the landing ground
- At least 150L of water in a suitable container and a fire extinguisher at the landing site

We can cancel bans if weather conditions improve. If you think that might be the case, just check emergency.wa.gov.au

Check if there's a Total Fire Ban in place today by:

- Visiting the Emergency WA website (emergency.wa.gov.au)
- Calling 13 DFES (133 337)
- Calling the TFB Hotline 1800 709 355
- Following DFES on Twitter
- Following DFES on Facebook
- Listening to ABC local radio and other media outlets
- Looking out for Main Roads WA Variable Message Signs
- Looking for local government roadside Fire Danger Rating signs

Future Drought Fund's Communities Program

Lead Your Region's Future. Join the First Five.

The Australian Rural Leadership Foundation (ARLF), in partnership with the Foundation for Rural & Regional Renewal (FRRR), is seeking five exceptional individuals from each of 12 selected regions to become the foundational leaders of the Impact Leadership Program.

A leadership journey shaped by local context for all sectors of the community to build regional capacity. The program develops leaders who can bring people together to address challenges, create opportunities and guide communities through change. The program focuses on people, place and leadership that makes a real difference on the ground, helping communities be ready not just respond.

At the heart of this work is the First Five participants.

As part of the First Five you are the catalyst for a ripple effect in your region. Your commitment includes:

Facilitating Change

Use your new skills to help deliver a local Networked Leadership Program for people in your community.

Learning & Immersing

Participate in 15 days of learning and development; some in-person and some online. Attend the National Impact Forum with other rural leaders, to focus on systems leadership, human-centered design and facilitation.

Building Capability

Act as a connector who can bridge different sectors and help your region have better conversations, even when topics are tense or difficult.

Accidental Counsellor Workshop

The Accidental Counsellor Workshop is a practical training program designed to equip individuals who find themselves supporting individuals in distress. The workshop teaches participants how to recognise when someone is in distress, respond with empathy and confidence, and

refer them to appropriate professional support. Through interactive discussions, participants develop the ability to remain calm, listen effectively, and provide immediate, compassionate assistance - without taking on the role of a professional counsellor.

Modules covered:

- What is an Accidental Counsellor
- Communication and Listening Skills
- Recognising common communication blockers
- Understanding different emotions and their impacts on our communication
- Overview of mental illness, mental wellbeing, and suicide awareness, and strategies on how to support others
- The importance of personal and professional boundaries
- The importance of self-care, for ourselves and those we are supporting

Talk your Peace

Words that work in talk that matters

Course Convenors

Mother and daughter team Marg and Rachel are the beating heart of Talk Your Peace. They have learnt over decades of ups and downs that life is all about quality relationships. In this workshop they will share with you how the tools of Nonviolent Communication have kept them together, and how they can help you in the relationships that matter to you.

Marg and Rachel warmly welcome Kate Price to the team.

The Center for
Nonviolent
Communication

Do you long for more ease and balance in your relationships?

Join us in this three-day interactive and gentle workshop, suited to both singles and couples. Learn how Nonviolent Communication (NVC) can help you align what you do and say with your core values.

We will explore how to:

- Own what's yours and begin to be kinder to yourself
- Identify language blocks and shift them
- Learn tools to reset when you fall off track
- Unlock clarity and calm
- Experience empathy in both speaking and listening
- Rewrite your brain and practise, practise, practise new habits.

This training is designed both for those new to NVC, and those who have previously attended courses who want to deepen their skills. You can apply this training to parenting, intimate relationships, family, workplaces, strangers or your own relationship with yourself.
