IN THE SPOTLIGHT

Supporting, Engaging & Empowering our Community

Welcome to Edition 344 of The Guide. This edition highlights the power of community, with stories that reflect the care, generosity and connections that make Denmark such a special place.

Discover how the Denmark Community Resource Centre's **Food Pantry** is helping local individuals and families access affordable, food in a welcoming and supportive environment.

Learn more about who is eligible to become a member, how the service is making a real difference during the rising cost of living, and the many ways our community can help keep the pantry shelves stocked.

Whether it's donating non-perishable food, making a financial contribution or volunteering your time, every act of kindness helps ensure this valuable service can continue supporting those who need it most.

We're also excited to share the news of a generous **Lotterywest grant**, which will help the Denmark Community Resource Centre continue investing in projects that strengthen community connections and improve the services and opportunities available to local people.

This funding is an important investment in our community and will help us create an even more welcoming space for people to connect.

Before you turn the page, we'd like to pause and recognise someone who has been an important part of the Denmark Community Resource Centre family.

After joining us in 2019, our wonderful **Janelle is retiring**, and while we are incredibly excited for this next chapter in her life, she leaves behind shoes that will be hard to fill.

Over the past six years, Janelle has been so much more than a colleague. She has been a friendly face, a listening ear and a constant source of kindness and support for everyone who walked through our doors.

Her warmth, compassion and unwavering commitment to helping others have left a lasting mark on our organisation and the wider community.

On behalf of our Board, staff, volunteers and the many community members whose lives you've touched, thank you, Janelle. Your dedication, generosity and friendship have meant more than words can express. We wish you every happiness in your retirement and hope it brings you all the adventures, relaxation and special moments you deserve.

You will **always be part of the Denmark Community Resource Centre family** and you will be deeply missed.

LOTTERYWEST GRANT

TRANSFORMING COMMUNITY LEARNING SPACES

The Denmark Community Resource Centre is delighted to announce that we have been awarded a Lotterywest grant to upgrade our much-loved Training Rooms A and B, creating a more accessible, comfortable and inclusive space for our community.

Last renovated in 2015 the training rooms are home to a diverse range of community activities including workshops, youth programs, digital learning, support groups, training sessions, meetings and hybrid presentations.

The project will include the installation of acoustic wall and ceiling panels to significantly enhance sound quality. These improvements will make it easier for people with hearing impairments and older community members to fully participate, while also enhancing the experience of online and hybrid workshops by reducing echo and improving audio clarity.

These upgrades are about more than improving the rooms, they're about creating opportunities for everyone to learn, connect and participate.

We hope the revitalised spaces will encourage greater community involvement, support more inclusive programs, and provide a welcoming environment where people of all ages and abilities feel comfortable taking part.

Once the upgrades are complete, community members will be invited to participate in a user testing phase and share their feedback. We also look forward to celebrating the project with a community open day, where everyone can experience the transformed spaces and improved acoustics firsthand.

The Denmark Community Resource Centre sincerely thanks Lotterywest for its generous support and investment in our community. This funding will help us continue delivering high-quality programs and services in a space that brings people together to learn, collaborate and build stronger community connections.

Thank You

FOOD PANTRY

When times are tough, having access to affordable food can make a real difference.

The **Denmark Community Resource Centre's Food Pantry** offers free bread and fruit/vegetable boxes, as well as heavily discounted non-perishable and frozen food items for those in need.

Thanks to the dedication of longstanding volunteers Bev and Michelle, and generous donations from the community and local organisations, the Food Pantry continues to provide support in a welcoming environment.

Most of the food is sourced from Denmark's local IGA's and Coles Albany. However, like many community support services, the Food Pantry has experienced an increase in demand as the rising cost of living continues to place pressure on household budgets.

To support the Food Pantry, monetary donations, unopened, in-date pantry staples, and non-perishable food items are always appreciated.

In addition to assisting regular pantry members, the Food Pantry provides weekly food donations to the Homeless Project and prepares free Christmas hampers each year for those in need during the festive season.

The Food Pantry is open every **Wednesday** from **10am-2pm**. If you are unable to attend during these hours, please speak with reception staff at the Denmark Community Resource Centre.

Call **9848 2842** or come into the Community Resource Centre for more info.

Circle of Security Parenting

An 8-week Relationship-Based Parenting Program for parents of children 0-6 years.

Circle of Security Parenting (COSP) is a FREE 8-session series that focuses on supporting and strengthening parent-child relationships and teaches new ways to understand and respond to your child's needs. It is based on decades of attachment research, and how secure parent-child relationships can be supported and strengthened.

You will learn to:

- Understand your child's emotional world & emotional needs
- Support your child's ability to successfully manage emotions
- Enhance the development of your child's self-esteem

HAVE YOUR SAY: EARLY CANCER DIAGNOSIS IN RURAL WA

HELP US IMPROVE CANCER CARE FOR RURAL AND REMOTE COMMUNITIES

We are exploring attitudes, experiences, and barriers around seeking medical help for possible cancer symptoms. Findings will help improve cancer campaigns and services for rural Western Australians.

Eligibility:

- ✓ 40 years and older
- ✓ Living in rural or remote Western Australia (regions: Kimberley, Pilbara, Mid West, Goldfields, Great Southern, South West, Wheatbelt)

Participation involves completing an online survey taking only 20 minutes. Click the link or scan the QR code to find out more!

Curtin University Human Research Ethics Committee (HREC) has approved this study (HREC number HRE2025-0613).

Help us test the new way of planning

We want participants with different disability types, support needs and experiences to help test the new way of planning.

We want to test the new process to make planning fairer and more consistent for all participants.

We're running 2 types of testing activities:

Activity 1: Complete a simulated support needs assessment.

Activity 2: Help train and accredit NDIA assessors who will complete support needs assessments in the future.

Participants are paid to take part in testing.

Separate consultation opportunities about NDIS rules will be available through the Department of Health, Disability and Ageing.

EVERY ANSWER MATTERS

Help us plan for Australia's future
2026 Census

HOMELESSNESS GUIDE

What is the Census?
Every five years, the Census counts every person in Australia. It helps us understand how people live and what communities need.

Why do your answers matter?
The Census is the only way to estimate how many people are experiencing homelessness in Australia. Your answers help governments and community organisations plan what support is needed, and where.

This includes:

- Emergency shelters
- Domestic violence shelters
- Fresh meal services
- Mobile laundries and shower facilities

What questions will you be asked?
The Census asks questions about your age, languages used, work, education and housing.

Making a difference
Organisations like Street Side Medics use Census information to improve their services. Knowing where people are means they can set up health clinics in the right places. This ensures doctors and nurses reach people who are sleeping rough or need to access care.

Your answers are confidential and protected by law. They are not shared with anyone, including other government agencies. Find out more at census.abs.gov.au/privacy

Where and when do I complete the Census?

I'm sleeping rough
Census staff will visit places where people are known to sleep rough including streets, parks, cars and tents. They will help you complete a short Census form during the week of 11 August 2026.

I'm staying in a refuge, hostel or boarding house
Service providers or refuge staff will give you a Census form to complete. Call us if you do not receive a form by Tuesday 11 August 2026.

I'm between homes and staying with friends, family or couch surfing
Census instructions will be sent to every house or address. You can be included on that form or request a separate form by calling 1800 181 227.

How to answer the usual address question

On the Census form you will see this question: "Where does the person usually live?". It helps us understand how many people are experiencing homelessness in Australia. There are two ways to answer:

- 1**
You are sleeping rough, couch surfing or staying in a refuge or hostel
Write **NONE** for the suburb part of the question. Leave all other fields blank.
- 2**
A housing/homelessness service has organised and paid for your temporary accommodation (hotel, motel, caravan park or backpackers)
Write **NONE - CRISIS** for the suburb part of the question.
