DAZZLE DENMARK!

We're calling on local businesses, community groups, organisations and residents to help bring some Christmas magic to the heart of Denmark!

This year, Dazzle Denmark is all about Christmas trees. **Decorate a tree and help us create a festive trail through the centre of town.**

Businesses can display a tree inside their premises, while community groups and residents are encouraged to get creative too.

To make our Dazzle Denmark Treasure Hunt easy and fun to explore on foot, all participating trees should be within close walking distance of Strickland Street.

Your tree can be simple, creative, colourful or completely unique, every tree adds to the magic! **Get involved, get creative and let's Dazzle Denmark together!**

DAZZLE DENMARK! REGISTRATIONS CLOSING SOON

Get Creative This Christmas!

The idea is simple – create a Christmas tree that reflects you. It could showcase your business or organisation, celebrate your community group, represent your school or simply be a fun family creation.

Trees don't need to be traditional either. Think timber, branches, recycled materials, old pallets, garden items, repurposed objects or something completely unexpected. **Recycled and upcycled materials are encouraged**, giving entrants the chance to turn everyday items into something festive and eye-catching. The main requirements are simply that your tree is stable, weatherproof and suitable for outdoor display.

Trees will be installed around Denmark from 28 November, creating a festive trail for the community and visitors to explore throughout December.

Vote, Explore & Win

Once the trees are on display, the community gets to join in the fun by voting for their favourite creations. There are some fantastic People's Choice Awards on offer, with \$500 Denmark Dollars for first prize, \$300 for second and \$200 for third. The fun doesn't stop there.

The **Community Scavenger Hunt** will encourage people to follow the Christmas Tree Trail, collect stamps along the way and go into the draw to win another \$250 in Denmark Dollars.

With **more than \$1,250 in Denmark Dollars to be won, there's plenty of reason to get involved** – whether you're creating a tree or exploring the trail.

Don't Miss the Registration Deadline
Registrations close Friday 30 October 2026, with tree installation taking place from 28 November. Voting and the Community Scavenger Hunt will close on 18 December 2026.

Whether you're a business wanting to showcase your brand, a community group looking for a fun project, a school ready to get creative or a family wanting to join in the Christmas spirit, everyone is encouraged to take part.

Register now, start creating and help us Dazzle Denmark this Christmas!

Visit the Denmark Community Resource Centre website or scan the QR code on the Dazzle Denmark poster to register.

Got Skills? We'd Love Your Help!

Our next Repair Café is on **Saturday 3 October, from 10am–12pm at the Denmark Community Resource Centre** a chance to bring along your broken or well-loved items and see if our clever volunteers can help give them a second life. **Knife Sharpening and sewing service this weekend!**

We're also always on the lookout for locals with skills to share! Whether you're handy with tools, sewing, electrical items, bikes or general repairs, we'd love to have you involved.

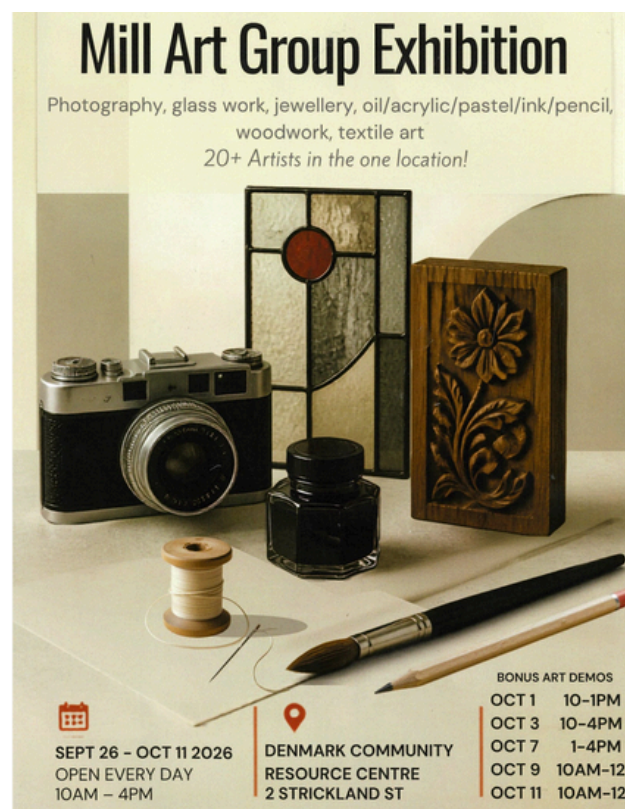

You don't need to commit to every Repair Café, simply volunteer when you're available.

Interested in getting involved? Give us a call or send us an email to find out more. We'd love to hear from you!

Pop in and see us!

Community Hub & Fire Truck Trail
Saturday 31st October 2026 - 9am to
1pm Location: Strickland Street

Help Build a More Resilient Community

Does your organisation help people prepare for, respond to, recover from, or stay resilient during emergencies? Join us as an exhibitor in the Community Hub during the popular Fire Truck Trail and connect with hundreds of local residents and visitors who want to learn more about staying safe and supporting each other during emergencies.

Why Get Involved?

This nationally recognised event attracts more than 1,000 community members across the weekend and brings together emergency services, volunteer groups, community organisations and local agencies.

Your stall is an opportunity to:

- Showcase the support and services you provide
- Share practical information and resources
- Engage directly with local families and visitors
- Recruit volunteers and new members
- Build relationships with other organisations
- Help people understand their role before, during and after an emergency

Make Your Stall Interactive

We encourage exhibitors to create an engaging experience for attendees. Consider:

- Hands-on activities and demonstrations
- Competitions or prize draws
- Educational displays
- Giveaways and promotional items
- Activities for children and families

The more interactive your display, the more impact you'll have.

Did You Know?

Denmark is one of Western Australia's most bushfire-prone communities, with forests surrounding many homes, businesses and visitor areas.

Being prepared isn't just an individual responsibility. It takes the whole community working together.

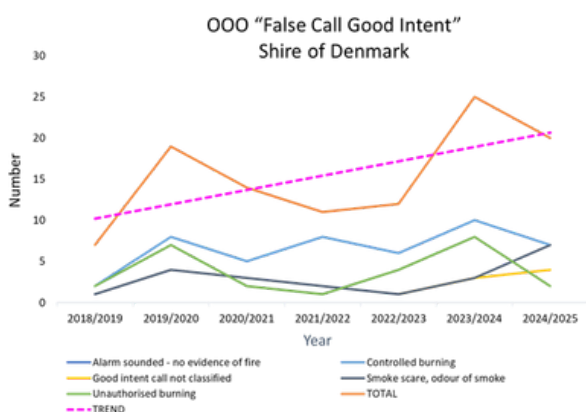

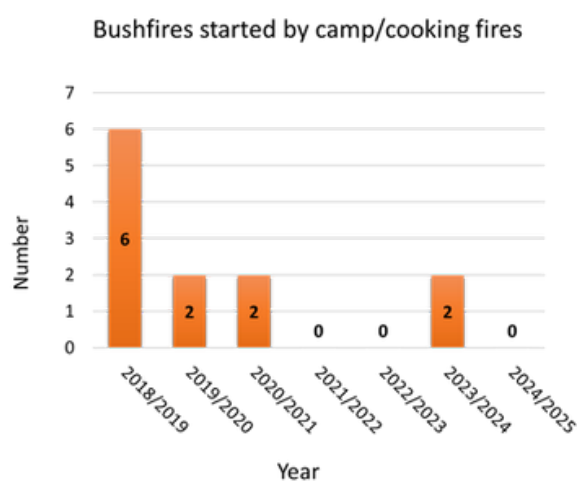

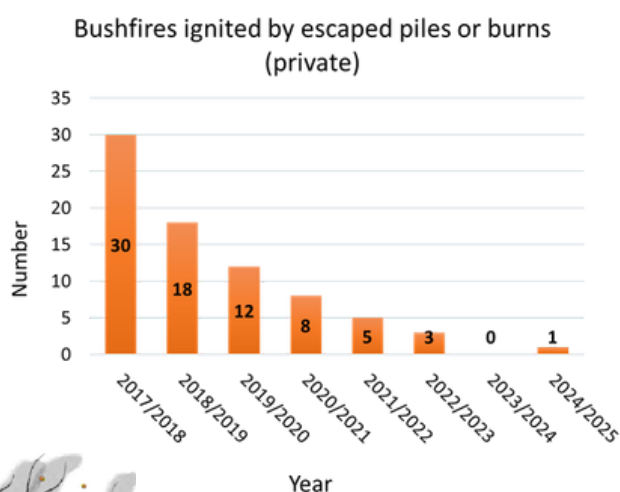

To register your interest or discuss your stall idea, contact:

Petra Thompson on 98482842 or manager@denmarkcrc.com.au Murray Brooker on 0429 094 136 Em Harper on 0417 091 812.

CUT. PASTE. DREAM. REPEAT.

We're surrounded by pictures of the future, but most are trying to sell us something.

This hands-on **collage workshop** is an invitation to reclaim our collective imagination and picture the futures we actually want to live in.

Cut, paste, layer, and create alongside others as we explore what a good life could look like, with more connection, contribution, and care.

No artistic experience required, just a willingness to play and see where your imagination takes you.

To build different futures, we have to be able to picture them.
A pair of scissors and a table full of strangers isn't a bad place to start.
