ARE YOU BUSHFIRE READY?

FRIDAY 30th OCTOBER SUNDAY 1ST NOVEMBER

Denmark's annual FREE Bushfire Ready Weekend is back, bringing the community together for three days of fun, education and practical information to help everyone prepare for the upcoming bushfire season.

With activities for the whole family, it's a fantastic opportunity to meet our local firefighters, learn about bushfire safety and discover the important services available within our community.

The weekend kicks off with a Community Sundowner at the Denmark Hotel on Friday 30 October, from 4.30pm to 6pm, featuring special guests including meteorologist Gianni Colangelo.

On Saturday 31 October, head into Stickland Street between 9am and 1pm for the popular Fire Truck Trail. Explore fire trucks and firefighting technology, meet local firefighters, experience virtual reality activities and enjoy plenty of family-friendly fun.

The weekend wraps up on Sunday 1 November with the Brigade Games at Denmark Senior High School Oval from 9am to 12.30pm, where local bushfire brigades compete for the trophy, with opportunities for children and families to have a go!

COME AND VISIT OUR STALL!

The Denmark Community Resource Centre will also be joining the festivities with an information stall promoting our Emergency Relief services.

Our friendly team will be available to share information about the support we provide to individuals and families experiencing financial hardship or difficult circumstances.

Whether you'd like to learn more about our services, find out how to access support or discover ways to help others in our community, we'd love you to stop by and say hello.

TOGETHER, WE CAN BUILD A SAFER, STRONGER AND MORE CONNECTED DENMARK.

HAVE QUESTIONS ABOUT THE NDIS?

COME AND CHAT WITH THE NDIA TEAM

The National Disability Insurance Scheme (NDIS) provides funding and support to eligible Australians with permanent and significant disability. It is designed to help people have greater choice and control in their lives, build independence, participate in their community and work towards their individual goals.

NDIS support can help people spend more time with family and friends, develop new skills, access employment or volunteering opportunities and improve their overall quality of life. The NDIS can also connect people with services and supports already available within their community, including health services, community and support groups, sporting clubs, libraries and schools.

These relaxed drop-in sessions are a great opportunity to meet the NDIA team, ask questions and learn more about the NDIS, including how it works, eligibility, applying and understanding and using your NDIS plan.

The NDIA is guided by four core values: We value people. We grow together. We aim higher. We take care.

These values reflect a commitment to putting people with disability at the centre and working together to deliver better outcomes.

Come along to an upcoming session at the Denmark Community Resource Centre to connect with the team, have your questions answered and learn more about the support available through the NDIS.
