SUPPORTING, ENGAGING & EMPOWERING OUR COMMUNITY

Welcome to another edition of The GUIDE, your fortnightly wrap-up of local news, events and happenings across our wonderful community!

As we head towards the busy festive season, there's plenty happening around Denmark, and we're delighted to continue sharing the stories, activities and opportunities that bring our community together.

A little **update on The GUIDE**!
To keep each edition fresh, relevant and easy to navigate, we will now focus on events taking place within the current fortnight. Recurring events may be rotated between editions but will remain available on the Events page of our website.

As a not-for-profit organisation, the Denmark Community Resource Centre kindly requests a small donation for promoting events and activities that charge an entry or participation fee. Free community events will continue to be promoted at no cost.

Your support helps us continue delivering The **GUIDE** to over **1,800 subscribers,** alongside our social media and printed distribution. Thank you for your ongoing support, and happy reading!

It's been a wonderful few weeks of community spirit and connection here in Denmark!

Stickland St - Bush Fire Ready Weekend

The successful **Bushfire Ready Weekend** brought locals together for three days of learning, activities and valuable conversations about emergency preparedness and community resilience.

We also celebrated **one year** of our much-loved **Community Pool Bus**, recognising the incredible volunteers who make this initiative possible. And there's more community fun to enjoy with **Play, Share, Repeat & the Car Boot Sale** encouraging families to come together, connect and share in the joy of play.

We have a volunteer call out for the **Community Christmas Lunch** also. These wonderful initiatives highlight the strength, generosity and spirit of our local community.

BUSH FIRE READY WEEKEND A HUGE SUCCESS

What a wonderful celebration of community spirit! Held from 30 October to 1 November, the three-day Bushfire Ready Weekend brought our community together for a fantastic event filled with free activities, hands-on experiences, valuable learning opportunities and plenty of friendly conversations.

As part of the weekend, the Denmark Community Resource Centre hosted an interactive display on Strickland Street, inviting locals to share their thoughts on an important question:
How can we best support our community in an emergency?
We received some wonderful feedback, community members highlighting the importance of:

- Relief and practical support for those affected.
- Clear, reliable communication and a central point for information.
- Access to essential services, including food and showers.
- Emergency coordination and all-round community support.
- A safe, welcoming meeting place where people can connect.

Our strong community connections, willingness to lend a hand and genuine care for one another are some of our greatest strengths, particularly when times get tough.

Beyond learning about bushfire preparedness, the event was an opportunity to connect, share knowledge and celebrate the wonderful community spirit that makes our town so resilient.

Murray Brooker, event organiser, commented:
"I was delighted by the number of new residents that attended the event and how seriously they were taking risks of bushfire. Lots of families engaging and learning together. Numbers exceeded my expectations."

We also added a little fun to the weekend with our lolly-guessing competition. Congratulations to Darcy Edwards, our lucky winner!

A heartfelt thank you to the organisers, volunteers, participating organisations and everyone who came along, shared their ideas and helped make the weekend such a success.

During any emergency event it is important to follow the instructions provided by the trained emergency services personnel managing the emergency.

PLAY, SHARE, REPEAT COMMUNITY SUCCESS!

What a fantastic day of community spirit, sustainability and connection at the Denmark Community Resource Centre! The Play, Share, Repeat Kids' Toys and Clothing Market, held alongside the Car Boot Sale, was a huge success, bringing together 29 stalls and plenty of enthusiastic bargain hunters.

The event celebrated the importance of reducing, reusing and recycling, giving pre-loved toys, clothing and household treasures a new home while keeping valuable items out of landfill. Families enjoyed a wonderful atmosphere with live entertainment, buskers, face painting, delicious coffee and pastries from Ben's Place, and a fun interactive kids' zone and sausage sizzle thanks to Gum Nuts Daycare.

A huge thank you to Denmark WA Town Teams, the Denmark Community Resource Centre and our amazing volunteers, who helped with everything from setting up and parking to ensuring the day ran smoothly.

The feedback has been overwhelmingly positive, with stallholders, visitors and volunteers all sharing their enthusiasm for the event and eagerness to see it return.

Our wonderful volunteers particularly enjoyed the opportunity to meet new people, make connections, lend a helping hand and even pick up a bargain or two along the way! It was a fantastic reminder that volunteering doesn't have to mean a huge commitment. Even giving a little of your time can make a big difference, create new friendships and help bring our community together.

Events like these showcase Denmark's wonderful community spirit, bringing people together through sustainability, sharing and connection.

The spirit of giving continued beyond the event, with stallholders invited to donate their remaining pre-loved items to the Denmark Community Resource Centre's Christmas Giving Table, the Denmark Homeless Project, or to our wonderful local community member Lauren, who collects and delivers donated goods to villages in South Africa.

GOOD NEWS, MORE EVENTS TO COME

Stay tuned for upcoming dates and announcements. We also warmly welcome anyone interested in becoming a volunteer at future events. Whether you can spare an hour or a whole morning, your contribution is always appreciated.

Together, we're building a more connected, sustainable and vibrant Denmark community!

Community Swimming Bus Celebrates One Year!

The Denmark Community Resource Centre recently celebrated one wonderful year of its much-loved Community Pool Bus initiative with a special morning tea, joined by Shire of Denmark officials, volunteers and participants.

What began as a trial offering regular Pool trips to Mount Barker has grown into a fantastic community initiative, now running three times a week to the Albany Leisure and Aquatic Centre in the winter and back to Mt Barker in the summer.

More than just a trip to the pool, these outings provide an opportunity to stay active, build lasting friendships and enjoy meaningful community connection.

For many participants, it's as much about the friendly conversations, laughter and companionship along the way as it is about swimming. The initiative has become a valued part of the week, bringing people together, supporting wellbeing and creating a genuine sense of belonging.

Drivers Campbell & Nina

A heartfelt thank you to our dedicated volunteers Nina Ishtar, Christine Kershaw, Andi Laing, Martin Norwood, Campbell Crewick, whose generosity and commitment have made this initiative possible.

New passengers are always welcome!
Trips operate by donation, plus pool entry fees. Contact the Denmark Community Resource Centre on 9848 2842 to find out more.

Helping Hands Needed This Christmas!

Our much-loved Denmark Community Christmas Lunch is returning on Christmas Day, and we're calling on our wonderful community to get involved!

Volunteers are needed in the morning of Christmas Day to help with set-up and welcome guests, serve lunch and pack up in the afternoon. Volunteering will be delegated in one / two hours blocks.

This special Denmark tradition brings people together to share festive food, friendship and Christmas cheer. Whether you can spare an hour or a few, your helping hands will make a real difference.

Everyone is also warmly invited to come along and enjoy a FREE Christmas lunch! Whether you're spending Christmas alone, looking for some company or simply wanting to share in the festive spirit, there's a place for you at our table.

To volunteer or find out more, contact the Denmark Community Resource Centre on 9848 2842.

Parenting with Curiosity

A Trauma Informed Parenting Workshop

Increasing Children's Mental Health and Wellbeing through Trauma Informed Practice

Date: Sunday 29 November **Time:** 10.00am - 12.30pm **Location:** Child and Parent Centre, Humphreys Street, Lockyer

A DIFFERENT WAY TO UNDERTAND BEHAVIOUR

Children's behaviour often makes more sense when we look beneath it. This practical, trauma-informed workshop helps parents and carers respond with greater curiosity, calm and connection, without expecting perfection from themselves or their children.

WHAT WE WILL EXPLORE

- What trauma is and how it can affect the developing brain and nervous system.
- Why "difficult" behaviour may be a protective response rather than deliberate defiance.
- How attachment, family patterns and stress shape the way children respond.
- Practical ways to support regulation, communication and connection at home.

WHO IS THIS FOR?

Parents and carers of children of any age who want a clearer, more compassionate understanding of behaviour, emotion and connection within the family.

YOU WILL LEAVE WITH

- A more compassionate lens for understanding behaviour
- Simple tools to support nervous system regulation
- Practical ways to strengthen connection

YOUR FACILITATOR

Lee Tomlinson is a certified somatic trauma informed wellness coach and Pilates instructor specialising in whole body wellness, nervous system support and trauma informed practices.

Standard Mental Health First Aid Course

The Standard Mental Health First Aid (MHFA) course is an evidence-based training program designed to equip adults with the knowledge and practical skills to support other adults experiencing mental health problems, crises, or distress. Developed by Mental Health First Aid Australia, the course teaches participants how to recognise common mental health conditions, provide initial help using the MHFA Action Plan, and guide a person towards appropriate professional support. This interactive course promotes understanding, reduces stigma, and helps build mentally healthy communities.

Location: 24 Latham Ave, Walpole WA 6398
